### ALTERNATIVE ALLOTMENTS

#### **§ 2568.110 If I qualify for Federal land in one of the categories BLM cannot convey, is there any other way for me to receive an allotment?**

Yes. If you qualify for land in one of the categories listed in section 2568.91 which BLM cannot convey, you may choose an alternative allotment from the following types of land within the same ANCSA Region as the land for which you originally qualified:

(a) Land within an original withdrawal under section 11(a)(1) of ANCSA for selection by a Village Corporation which was:

- (1) Not selected,

(c) Vacant, unappropriated, and unreserved land. (For purposes of this section, the term “unreserved” includes land withdrawn solely under the authority of section 17(d)(1) of ANCSA.)

#### **§ 2568.111 What if BLM decides that I qualify for land that is in the category of Federal land that BLM cannot convey?**

#### **§ 2568.112 What do I do if BLM notifies me that I am eligible to choose an alternative allotment?**

You must file a request for an alternative allotment in the Alaska State Office as stated in section 2568.71 and follow all the requirements you did for your original allotment application.

#### **§ 2568.113 Do I have to prove that I used and occupied the land I've chosen as an alternative allotment?**

prove that you used and occupied the land in the alternative location.

#### **§ 2568.114 How do I apply for an alternative allotment if the CSU manager determines my application is inconsistent with a CSU?**

You should contact the appropriate CSU manager as quickly as possible to discuss resource concerns, potential constraints, and impacts on existing management plans. After you do this you must file a request for an alternative allotment with the BLM Alaska State Office as stated in section 2568.71 and follow all the requirements of the original allotment application. If the alternative allotment land is also in the CSU, the CSU manager will evaluate it to determine if conveyance of an allotment there would be inconsistent with the CSU as well.

Your application for an alternative allotment must be filed:

(a) Within 12 months of when you receive a decision from a CSU manager that says your original allotment is inconsistent with the purposes of the CSU or,

(b) Within six months of when you receive a decision from the CSU manager on your request for reconsideration of the original decision affirming that your original allotment is inconsistent with the purposes of the CSU, or

(c) Within three months of the date an appellate decision from the appropriate Federal official becomes final. This official will be either:
